**L**a realtà ibrida che combina il look cemento con un'elegante rivisitazione dell'antico limestone Abruzzese. Coglie in pieno le peculiarità dello sviluppo grafico pur mitigandone gli eccessi calcarei e migliorandone la stabilità. La variazione tonale la rende dinamica ed adatta a tutti gli spazi.

A hybrid look that combines a classic concrete look with the elegance of the limestone from Abruzzi used in ancient times. The uniqueness of its graphics is fully captured, though mitigated in its calcareous excesses to offer a more balanced look. Its shade variations make for a dynamic and multipurpose effect.
